Our annual Sports Day held on Friday, November 1<sup>st</sup> was hugely successful again. We modified the program due to the weather forecast and it turned out as a bonus. We were not under pressure to get through the age sprints and the relays. It was great to see so many parents, siblings, grandparents and friends present, which added to the carnival like atmosphere. Many hours of work are put in behind the scenes to make sure that it all runs smoothly and we are indebted to the tireless efforts from our P.E. specialists in Will Sandford and Hannah Copping.

The teams opened the day marching behind their House Captains for one lap of the oval and then assembled near the front of the hall. All teams then entertained the crowd with their rendition of “The Git Up” and each house gave a hearty effort with their war cries. Our special guest was Charles Brice, a former student who is now a quadriplegic, who had just finished his “Wheel to Walk” campaign. Charles has raised over \$130 000 to go towards research into spinal injuries. He declared the sports day open and announced Cameron as the winning house of the marching and dancing.

Students participated in the morning tabloid events in class groups to gain points for their team in order to determine the winner of the Sports Day Championship. Afternoon events were highlighted by the age sprint races with many close finishes keeping the judges on their toes.

Congratulations to all winners and placegetters who participated in a race.

The relays capped off a great day before the announcement of the winners for the day.

Results were extremely close again with MacIntosh victorious making it a “three peat”

1 <sup>st</sup>	- MacIntosh	289 points
2 <sup>nd</sup>	- Cameron	281 points
2 <sup>nd</sup>	- Robertson	281 points
4 <sup>th</sup>	- Magarey	268 points

Congratulations must go to all team members who tried so very hard on the day. You were all magnificent.

The battle for the Year 7 Champions Trophies was, as always, a very tight contest and the looks of determination on the faces of the athletes as they strived for the best time, longest throw or highest jump were a sight to see. Champion and House trophies were presented by our Governing Council executive - Mrs Diana Armfield, (Chairperson), Mr Chris Boston (Vice Chairperson) and Mr Trent Waters (Treasurer).

The support of parents and volunteers is always greatly appreciated and helps to make the day run smoothly with a lot of parents assisting on the day with judging, time keeping, record keeping and canteen duties.

Special thanks to the House Captains and Vice Captains for the work they did in organising their house groups and helping with set up, Ruth Dickenson, Belinda Boston and Sonya Bates who managed the important job of scorers, Lucy Possingham on the microphone, our finishing judges, Helen Michael and Fay Russell and their band of helpers who managed the catering through the canteen, hall kitchen and drinks van, Trevor McArthur for his work in preparing the grounds and assisting with set up, House Captains and Vice Captains and their parents who helped to set up marquees early on Friday morning and to the staff and students who also helped to make it a very enjoyable day.

Once again, a massive shout out to Will Sandford and Hannah Copping for their fantastic overall coordination.

### WE'VE DONE IT AGAIN – TOP 50 IN THE BE ACTIVE CHALLENGE

For the third year in a row we have been selected as one of the Top 50 highest achieving schools in the Be Active Challenge. As a result of this we will receive

\$1000 towards class sporting equipment.

Well done to our students and staff for their support of this program. Mr Sandford will soon present the medals to all of the students who participated in the challenge.

### PLANNING FOR 2020

### SPORTS DAY 2019

## SE FESTIVAL OF MUSIC

On the 24<sup>th</sup> of October parents and friends were entertained at the Sir Robert Helpmann Theatre by 140 children singing, including our choir. The South East Primary Schools Music Festival runs for three nights and is an amazing experience. Our choir members have been rehearsing all year for this performance.

In addition to our thirty students on stage, Naracoorte Primary School had six soloists who performed over two nights. Indie Schroder, Emily Eastwood, Trinity Watson, Tyra Bruce, Jessica Cobbedick and Abbie Michael all executed their solos brilliantly. Abbie and Bree Foster were also a part of the dance troupe over the course of the festival.

I thought our students stood out as having excellent stage presence, friendly and happy faces and who knew all of their words and actions. It was a very proud moment for me to watch my final choir performance in the South East. We look forward to entertaining the school community in the Week 5 assembly, Remembrance Day and both the Middle and Upper Primary Night Assemblies.

2. Take turns and pick and share a negative, difficult or hard feeling you had today. If you like, let the others know how you managed to deal with this feeling.
3. Let each person think of something you are grateful for. Share details if you'd like...or not.

Come and meet these characters and find out more about how they can be used, if you'd like.

I'm at school on Thursdays and Fridays, but often around on other days too. I can be contacted through the Front Office .

Blessings!

## COMMUNITY NEWS

We wish to extend a huge THANK YOU to everyone that volunteered their time to help us cater on Sports Day. Your help is very much appreciated.  
FAY

Hi Everyone!

At school we like to encourage students to use a growing range of vocabulary to describe 'feelings'.

Words such as "happy" "sad" "mad" are often used.

We now have a set of cute plush character tools called Kimochis. They will be used to assist students describe feelings with more clarity. (Check Kimochis out on the website. There is lots of helpful communication information for parents too.)

Below are a couple of sharing activities you may enjoy to do at home:

1. Take turns and pick a positive feeling you had today. If you'd like, let the others know what caused that feeling.
